I wish to call the attention of the people of Bennington to the fact that I am not and never have been and never will be interested in any so-called suit club which claims to give to a limited number of people a suit or other garments at a nominal price when other customers have to pay full price and more than the cost of the clothes, suit, etc., for the suits or garments by way of a drawing or lottery.

**Mr. Frederick Ten-Brock**  
visits Bennington and may  
be Consulted every Thurs-  
day, Friday and Saturday  
at 121 North Street

[Brewster Block, up one flight]

Remarkable Readings of Hand  
and Mind are Given by This  
Well-known Reader and Ad-  
viser, Who Has Visited Cities  
in This Vicinity for Years.

Mr. Ten Brock should not be con-  
founded with so-called "Fortunetell-  
ers" or sooth sayers. He is an intel-  
ligent reader of humanity, who uses  
his remarkable talents to advise and  
help rather than to amuse his clients.  
He does not claim infallibility or lay  
claim to so-called "supernatural"  
forces or powers, nor does his work  
conflict with anyone's creed or re-  
ligion. In this age of advancement  
few doubt the existence of latent tal-  
ents like clairvoyance, telepathy and  
mental suggestion. These talents  
Mr. Ten Brock possesses to a remark-  
able degree and no one will regret  
either the time or fee spent with the  
Master of his profession.

Without asking any questions of his  
callers, Mr. Ten Brock informs and  
advises them upon any and all mat-  
ters of importance, such as courtship,  
marriage, family troubles, divorce,  
business, losses, lawsuits, inheri-  
tances, promotions, sales, friends or  
enemies; in fact, about anything one  
may be interested in. He has fre-  
quently discovered the hidden treas-  
ures of the earth and aided clients to  
financial success by proper advice on  
speculation and investments. A proper  
and thorough study by a competent  
life reader will reveal every  
chance in a person's life without fail.

Many a man drudges along making  
a bare living when by observing his  
chances, he might be rich.

Mr. Ten Brock instinctively knows  
just what your chances are, and in  
plain, clear-cut language points out  
the road to success and happiness. He  
helps you realize your legitimate  
wants, hopes and desires in business,  
love and life.

Mr. Ten Brock is universally recog-  
nized as one of the very foremost  
and most capable of psychists in this  
country. Highly gifted, earnest, hon-  
est and capable, he is particularly  
fitted to help and advise those who  
are in doubt or trouble of any de-  
scription. He gives marvelous tests  
of his powers in all readings, and so  
clear and concise and correct are his  
statements that his callers at once  
feel that they have met the master  
mind of his profession.

He gives more facts, more help,  
more satisfaction than any psychist in  
this country. He not only tells you  
of your troubles, but he helps you out  
of them. His advice and help bring  
health, wealth, happiness, power and  
success in all affairs of life.

### PLUNGE OVER PRECIPICE

Chase of Safe-Crackers Has Powerful  
Finish in New Triangle Drama  
For "The Children in the House,"  
Triangle-Fine Arts drama which will  
be shown at the Harte Theatre today  
a thrill of thrills is claimed. This is  
the spectacle of an auto-load of bank  
robbers plunging, after a flying battle  
with police, over a steep precipice 300  
feet high.

Its occupants shot down one by one,  
by the pursuing officers of the law, the  
car is seen to zigzag as it speeds along  
the mountain road. At last a bullet  
strikes the man at the wheel, and  
there is a terrifying swerve. The  
next picture is taken from below, look-  
ing up at the summit of the beetling  
cliff. The automobile is seen to run  
along the brink, swing over the edge  
and topple for a moment and then  
plunge and bound down the rocky de-  
clivity until it arrives at the bottom, a  
broken and shattered mass of metal.

The sight of the big car shooting  
over the edge and down to destruction  
is announced as one warranted to give  
any spectator at least one good gasp.  
Another thrill in the picture is the re-  
scue of four of the "Triangle kiddies"  
from a burning house where they  
have been tied and gagged by the  
crooks.

Norma Talmadge is the star of "The  
Children in the House," and is sup-  
ported by a cast which includes Jewel  
Carmen, Eugene Palette and Wm.  
Hinckley.
